Have we put some fireworks in here for you... well yes. You just have to find them. Recovering from the loss of our Queen Elizabeth II we now have a King Charles III. Stamp collecting is still just as strong as ever. Our vendors have provided a full catalogue of interesting material. It has the usual sections with many new lots. We have a strong selection of Australia, Canada, Germany, Gibraltar, Hong Kong, Ireland, Malaya and many more. Great Britain has once again a good run through out the sections. Have a look though and if you find something of interest, get your bids in early.

Remember, remember the 5th of November the auction closing at two.
