We are moving out of the sun and into the frost and cold weather. Perfect for stamp collecting. Dust off those albums and start filling in gaps. This auction has something new, as in a Cigarette Card section for all Cartophilists collectors. We have offered odd sets before but not this quantity (115 lots). This replaces the album page section for this auction. We have mixed or one country lots under the World section and under the individual countries. Perfect for those upcoming evenings when you are looking for something to do. We also continue with sets, singles, mint and used from Commonwealth and Foreign countries. As listed on the website it has GB stamps overprinted ie Bahrain, Kuwait, Qatar, Occupations and Post Offices. Good run of 1935 Jubilee (mint and used) sets. Some lovely Brunei, Bahrain, Iraq (Commonwealth) collections have been broken down. A very interesting selection of early France inc papers, exhibitions, ovpt's, plate blocks, etc. With 2774 lots to go though, you never know what you might find.

You may have noticed that if you bid with us, you now have an account number that all your bids are placed under. This number is unique to you, so please quote in all communications (Bidding and Payments). You will find it on your bid form/invoice above/by your name. Using this number, speeds things up for both of us. As usual if you want any images, please email a list (don't forget your account number) and we will get them to you.
